FOREWORD

Once upon a year, four simple words which hold a very special and great meaning. A capsule that captures just a fraction of life. It happens so often, that we forget a part of life that is so dear. But this story can replenish those memories.

As you leaf through this irreplaceable collectors item, note that each picture or caption tells its own story ...

DEDICATION

In this year of Nineteen hundred-Seventy-nine, with our deepest and most sincere gratitude we dedicate this yearbook, to a woman who shows nothing less than loyalty to Regina Caeli High.

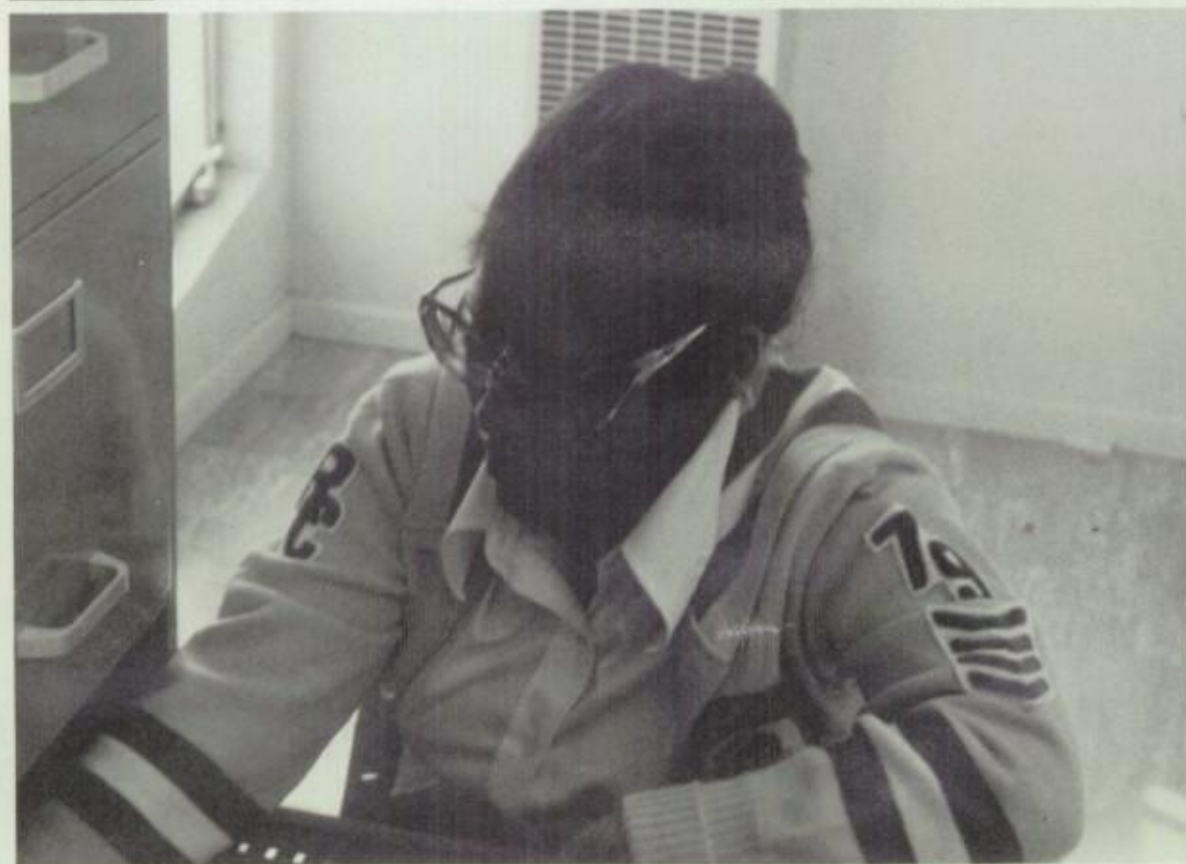

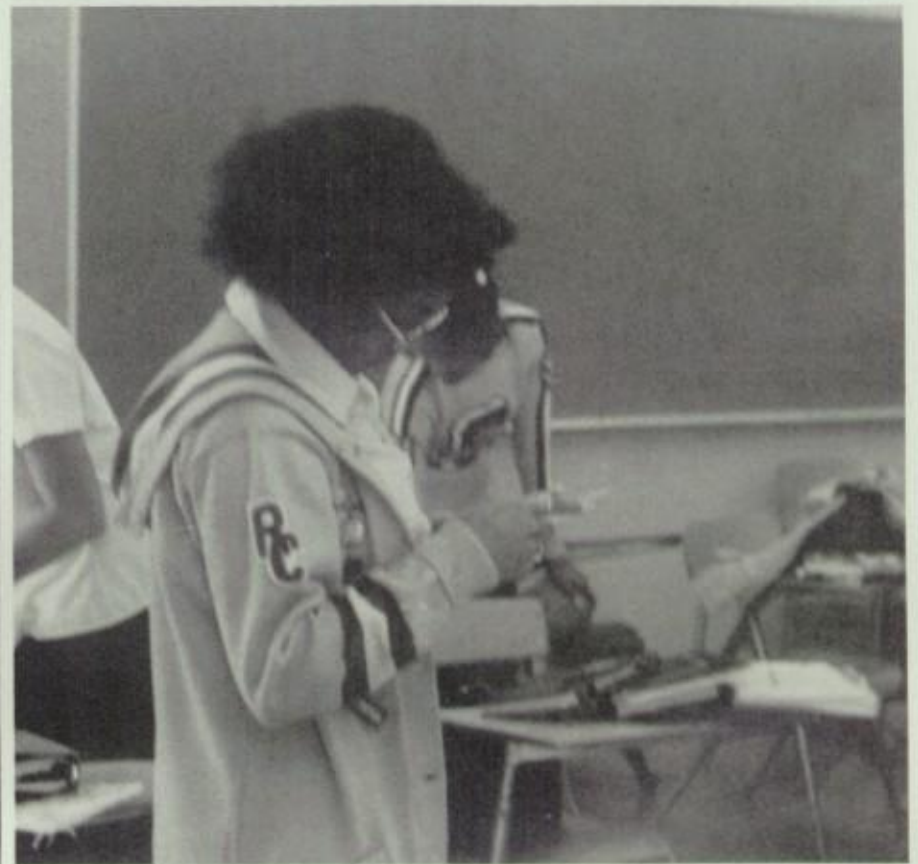

She was educated at Xavier University of New Orleans and Catholic University of America in Washington D.C. Later on she went to serve at Austin High in Central America, then to the Holy Rosary Institute in Lafayette, L.A. and St. Peter Claver High in Grand Coteau.

In 1972 she came to Regina Caeli. There she established a new way for the school. She became a renowned science teacher, she served as yearbook and cheerleading advisor. But there is one thing she will be remembered for and that is her work with the Student Council and the community.

Good luck and the best of wishes in this 25th year with the Sisters of the Holy Family to Sr. Henrietta.

A large, stylized, black letter 'S' or 'G' shape, possibly a logo or decorative element, set against a background of horizontal lines within a square frame. The shape is thick and bold, with a small loop at the top. The background consists of many thin, horizontal, light-colored lines. The entire composition is enclosed in a thin black rectangular border.

Being a woman is beautiful. There is so much ahead for you. It's a time of growing, by doing and be feeling. You have a sense of belonging to someone, and to the future. You are in the midst of experiencing the satisfaction that only movement through life can bring. Yet there's so much to reflect on as well... The loving way your family has led you through childhood, the long-buried meanings of your faith and beliefs, the little girl fantasies of fame and fortune, the ones you still hope will come true. Let your emotions envelop you, let your mind and heart wander. Go back beyond yesterday, ahead of tomorrow. For now memories and dreams blend into the most beautiful feeling of all - Knowing who you are and who you want to become as a woman, as a Christian.

To our niece Mary, Remember, O most compassionate Virgin Mary, that never was it know that anyone who fled to thy protection implored thy assistance or sought thy intercession was left unaided. Inspired with this confidence we fly unto thee, O Virgin of Virgins, our Mother- to thee we come; before thee we kneel sinful and sorrowful. O Mother of the Word Incarnate, despise not our petitions but in thy clemency hear and answer them. Amen.

From you Aunt and Uncle Grace & Jesus Rubio

Keep up the good work Chic-a-Dee
We'd love to have you on our Medical Staff.

The miracles of our time occur everyday as the sun rises and sets. These common events to some people mean very little, we hope, for a special young lady like CARLETA, there will be a deeper meaning. Time is very precious. The moments pass by so quickly, that you are barely able to grasp them. Living life so that it will be an unforgettable memory should be one of her characteristics and be placed among her highest values. You will then be most likely to believe in the miracles of time.

Little sis, we love you!

LOVE is very patient and kind, never jealous or envious, never boastful or proud, never haughty or selfish or rude. Love does not demand its own way. It is not irritable or touchy. It does not hold grudges and will hardly ever notice when others do it wrong. It is never glad about injustice, but rejoices whenever truth wins out. If you love someone you will be loyal to him no matter what the cost you will always believe in him. Always expect the best of him and always stand your ground in defending him. All the special gifts and powers from God will someday come to an end but LOVE goes on forever. The Greatest of Love.

Love,

Ruben Salgado & Mercy Lara

HE LOVES YOU

It's amazing and incredible, but it's as true as it can be, God loves and understands us all and that means you and me. His grace is all sufficient for both the young and old, for the lonely and the timid, for the brash and for the bold. His Love knows no exception, so never feel excluded no matter who or what you are your name has been included and no matter what your problem is. Just place it in his hand. For in all of our unloveliness this great God loves us still, He loves us since the world began and what's more, He always will.
